

January 29, 2013

Hon. Shoshana M. Grove  
Secretary  
Postal Regulatory Commission  
901 New York Avenue NW, Suite 200  
Washington, DC 20268-0001

Dear Ms. Grove:

This transmits the enclosed copy of the Postal Service's progress report regarding the participation rates, compliance, and data yield of bulk First-Class Mail and Standard Mail customers using Full-Service Intelligent Mail. This responds to the requirements in the Commission's FY2010 and FY2011 Annual Compliance Determination Reports that the Postal Service furnish monthly reports of such information.

Thank you for your consideration of this matter.

Sincerely,

Anthony F. Alverno

Enclosure

**Monthly Progress Report on Full-Service Intelligent Mail Participation and  
Compliance by Commercial First-Class Mail and Standard Mail Customers  
(January 29, 2013)**

The Postal Service previously updated the Commission on the progress of Full-Service Intelligent Mail participation and certification on December 27, 2012.

Between January 1 and January 18, 2013, the Postal Service measured over 771 million First-Class Mail items from 765 active Full Service Intelligent Mail customers. Measured First-Class Mail items with an overnight service standard originated in 66 districts, those with a two-day service standard originated in 63 out of a possible 66 districts, and those with a three-to-five-day service standard originated in 61 districts. For Standard Mail, there were over 754 million items measured with origin data from all districts for Destination Entry letters and flats, 56 districts for End-to-End letters, and 40 districts for End-to-End Flats. There were over 48 million pieces measured for Periodicals delivered between January 1 and January 18, originating from all districts. For Package Services Bound Printed Matter Flats there were about 340 thousand pieces measured quarter-to-date, with origin data for 63 districts.
